College District Is Assured; Protest Vote In This Area

County Give Wide Margin To District As Locals Voice Protest

Voters of Placer County favored the formation of a Placer Junior College District by a vote of 4545 to 1479 but not with the assistance of voters in the Tahoe-Truckee Unified School District.

The local district voters cast 747 ballots, with 10 "yes" and 737 "no" votes.

A break-down of the local vote follows:

Truckee—no, 260; yes, 3.
Kings Beach—no, 189; yes, 1.
Tahoe City—no, 205; yes, 5.
Donner Trail—no, 38; yes, 1.
Floriston—no, 45; yes, 0.

Placer County Superintendent of School Albert F. Bequette will appoint a five-member board for the district which will serve until an election is held May 17.

A bond election to provide funds for erecting the new college at Auburn will be held in the future. It is estimated that the cost will be 39 cents per $100 assessed valuation.

Manogue Wins In Game With Locals

RENO—The Bishop Manogue Miners served notice that they were one of the teams to watch in the Northern Nevada "A" basketball conference Friday night as they dumped goal after goal on long set shots to unseat the Tahoe-Truckee Wolverines 53-36 on their home floor here.

Using a combination full court press and shifting zone defense, the Miners led in every quarter to win their conference opener from the Wolverines. The loss set Truckee's conference record at 1-1 for the year and 5-4 in total season play.

The story for the Wolverines was simply not enough goals, Truckee managed only 11 buckets for the entire night, and their free-throw total dropped sharply in the second half. Big Dave Rickert was the main gun for the visitors, dunking 8 for 10 of his charity shots, and four of the Wolverines goals for a 16-point total.

The game was marked by numerous fouls for both teams, with Manogue guilty of 14 miscues and Truckee with 17. The fouls were evenly distributed, however, with only one man, Berger Nelson of Truckee, fouling out late in the game.

The Wolverines will host the Reno Ramblers and Lovelock in games here February 1 and 2 after playing Winnemucca and Lovelock away from home this weekend.

SCHEDULE FOR TAC GAMES ANNOUNCED

Daven Morey, president of the Truckee Athletic Club, announced this week that the basketball league games started officially Tuesday night with two games scheduled for each Tuesday and Thursday night at the high school gym. The first games start at 7 and the second at 8:30 p.m. The team having a bye each night will furnish the referee.

The schedule as announced by Morey follows:

January 24: Denney's vs. American Legion; Pastime Club vs. Brown's Cafe; St. Louis, bye.

February 5: American Legion vs. St. Louis Cafe; Denney's vs. Brown's Cafe; American Legion, bye.

February 7: Pastime vs. St. Louis; American Legion vs. Brown's; Denney's, bye.

February 12: Denney's vs. Pastime; St. Louis vs. Brown's; American Legion, bye.

The public is invited to attend all games which are hotly contested with stronger lineups than ever before, Morey said.

RACES SCHEDULED FOR SUMMIT RESORT

SUGAR BOWL—A giant slalom on Mount Disney Saturday at 2 p.m. will feature the Sugar Bowl championships. There will be four classes for men, women, junior bovs and junior girls. The course will be set by Bill Klein, ski school director.

Sundav at 11 a.m. the Down Hill Onlv Club of the Wengen race, sanctioned by the FWSA will be held on Mount Lincoln. The historv of this race goes back to 1924. Over 100 racers are expected to enter in this event which promises to become a California classic.

There are between six and eight feet of snow in the Sugar Bowl.

To Represent Clubs

Mrs. Fred Pedley, chairman of the safety division of the California Federation of Women's Club, will be one of the 35 attending a safe driving seminar at Sacramento January 30, 31 and February 1. The school will be conducted by safety instructors from the Northwestern University at Chicago.

Woman Injured As Car Crashes Into Hirschdale Pump

Seven vehicle accidents were reported by Sgt. Frank Snyder of the California Highway Patrol for the past week.

The most serious occurred Saturday at 9:45 p.m. when a car driven by Milton J. Ludwig of Reno got out of control at Hirschdale and crashed into a gas pump after striking a bridge guard railing. Mrs. Antonette Ludwig, 39, was treated at the Tahoe Forest Hospital for head injuries and severe lacerations and a fractured lower right leg. The driver was cited for speeding.

John D. Johnson, San Francisco, escaped when his car left the highway Saturday at 2:45 a.m. and was wrecked. He was cited.

Lloyd L. Crystal of Irvington was cited for drunk driving after his car and one driven by Bernard F. Hall, Orem, Utah, collided seven miles west of Truckee Sunday at 8 p.m.

William Penrose, Auburn, was cited after his car struck two parked cars four miles west of Truckee Sunday evening. The vehicles were driven by Gene Folkerth, San Mateo and Bernard J. Gow, San Francisco. Virginia Folkerth was injured.

John K. Rousch, Berkeley, was injured when a car driven by Ronald Wheatcraft was wrecked Sunday at 9:45 a mile and a half east of Truckee.

William W. Jambois, Sausalito was cited after his car and one operated by William E. Thomson collided Saturday at 11 p.m. five miles west of Truckee. None was hurt.

Bernard G. King, Reno, was cited after his car hit a state sno-go operated by Ralph A. Harper of Shingle, employed on Donner Summit, Sunday evening at 7:20. No one was injured.

JOHN CARL EXPIRES AT GRASS VALLEY

Funeral services were held in Grass Valley for John Carl after he was found dead in his residence there on January 18.

The deceased was a native of Switzerland, born more than 70 years ago and was well known in this area, having been a traveling carpenter for the Southern Pacific Company in Truckee prior to going to Soda Springs and later to Grass Valley.

Carl was a member of Summit Lodge No. 54, Knights of Pythias of Truckee and was vitally interested in the progress of the community.

Surviving relatives are not known here.

THREE RUNAWAYS APPREHENDED HERE

Three 14-year-old Loomis boys who set out last Thursday for a trip to Utah, were apprehended Friday morning by Deputies Roy Waters and Emery Lander and held for their parents. The boys said they spent Thursday night in a railroad shed near Nyack. They were without funds and were not unhappy when their parents arrived to return them home.

Sergeant Snyder Speaks At Lake Rotary Session

KINGS BEACH — The regular weekly meeting of the Rotary Club of Brockway was held in the Crystal Bay Club on Monday night with Pappy Brooks presiding.

After the introduction of guests, Brooks turned the meeting over to temporary chairman, Fred Baker, who introduced Sgt. Frank Snyder of the California Highway Patrol.

Sergeant Snyder spoke on the operation of the highway patrol; it's performance in 1955 and 1956 and what we may expect in 1957. After his talk he conducted a question and answer form. This phase of the meeting brought out many interesting and instructive points.

Olympic Official Speaks At Nevada City Meet

H. D. Thoreau, executive secretary for the California Olympic Commission, spoke before a meeting of the Nevada City Chamber of Commerce at their annual installation dinner Monday night. He discussed the plans for the 1960 winter games at Squaw Valley and estimated attendance during the contests would be 40,000 daily.

State Parks Will Cooperate With Plan For Olympics

Commission Approves Idea Of Permanent Park At Squaw

The state park commission meeting at San Francisco has ordered its staff to cooperate with the California Commission in making Squaw Valley, site for the 1960 winter Olympics, a permanent part of the state parks system after the big show.

The commission acted after H. D. Thoreau, executive secretary of the California Olympic Commission, submitted a preliminary report on plans for the $5,000,000 games project.

Charles Kasch of Ukiah, a member of the parks commission, said his group will take up the report at its next meeting in Sacramento February 15th.

The parks commission resolution instructs its staff to cooperate with the Olympic commission to outline to the state department of finance steps which will be needed to make Squaw Valley a permanent state park.

Gov. Goodwin J. Knight has asked the legislature to appropriate an additional $2,900,000 toward making the buildings permanent and for other work such as sewage disposal and a water distribution system and flood control provisions.

What Plans Include

Thoreau said plans for the Olympic games facilities at Squaw Valley include a covered ice arena with 2800 permanent seats which can be expanded to 10,000 capacity for the games, two ski jump hills, a mile long bobsled run which will be the only one in the United States outside of the famed sports center at Lake Placid, N. Y.

He said that there also will be a quarter mile speed skating rink, two ski lifts and a village with accommodations for 1200 athletes.

This village, he said, will be made permanent.

AVALANCHE EXPERT ARRIVES TO AID IN WORK ON OLYMPICS

Montgomery M. Atwater arrived at Squaw Valley last Monday, to assume his new post as winter sports representative for the Tahoe National Forest. Atwater's primary job will be to represent the forest service on all government permits and developments in the Squaw Valley area. This will include most of the ski jumps, ski runs, concessions, housing developments, and other projects planned for the 1960 Winter Olympics. Atwater will also be responsible for setting up snow safety and avalanche control plans, establishing weather stations and assisting the Olympic planners in locating the various winter sports snow courses and jumps.

Atwater somes well qualified for his job, having served as winter sports administrator for the Wasatch National Forest at Alta, Utah, for the last 10 winters.

He organized the first avalanche research station in the country in 1946 at Alta, and in 1953 compiled the avalanche handbook which is used throughout the national forests as a standard guide on snow saftey.

Atwater, and his wife, Joan, visited Europe last summer, spending most of their time in Austria and Switzerland studying avalanche control methods and ski resort layouts. A son, Robert, was born in Vienna in late October during the height of the Hungarian uprising. The Atwaters spent some apprehensive weeks while waiting for their son to gain enough strength to make the long flight to the United States.

The family will live at Tahoe City.

ATTEMPTS SUICIDE

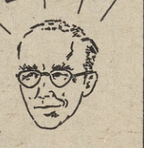
Walter L. Barton, 32, Carmichael was taken from a Greyhound bus yesterday by Deputy Sheriff Roy Waters after the passenger was accused of attempting suicide by slashing his wrists. He was being held for Palo Alto Veterans' Hospital.

Has Operation—

Constable N. F. Dolley underwent a major operation in the University of California Hospital at San Francisco Monday and is reported to be recovering nicely and is expected home next week.

SUN ADS GET RESULTS

SUNBEAMS



By WALTER M. BARRETT

We are not attempting to decide now whether or not an airport in this area is practical at this time, although we have been assured that it would be an important asset in determining the future economy of the region. Be that as it may, we do believe that the immediate formation of an airport district to protect our future rights is vitally important. We have learned, or at least should have learned, through the junior college district formation election what can happen to a minority group. What has happened before may well happen again unless we take the necessary steps ot avoid it. The formation of the airport district will not involve any material expense, but it will provide a foundation upon which future development can, and probably will, be undertaken. Lack of an organized district leaves us too vulnerable to outside interests who may decide to include the area in a county-wide airport district. Without the district, we may be paying for one in a remote area and not be benefited at all. It's worth some thought.

Hearing Set For Annexation Plan

The directors of the Truckee Sanitary District have called a meeting for Tuesday, January 29 at 7 p.m. in the office of the justice court for a public hearing on the Gateway Park annexation petition.

The petition asking annexation was signed by 48 property owners representing the $251,550 assessed valuation of the area seeking annexation.

The area includes everything west of the present district boundary line near the James McIver property to a line running through the center of the Tahoe-Truckee Wye just west of the Gateway Park subdivision. There are also small parcels of land in south and east Truckee included in the proposed annexation.

Need for inclusion in the district is based on the fast development taking place in the petitioning area where septic tanks and cesspools have now reached a point where they are no longer adequate.

There are indications that as soon as the Gateway area is included in the district, the section west of there, including Meadow Park, will seek annexation, so that the region can continue to develop and provide homes and businesses for this growing community.

Following the hearing, an election will be called by the district.

DONKEY GAME WILL BE HELD FEB. 26TH

A donkey basketball game which promises to be a fun-filled evening will be held in the Tahoe-Truckee High School gymnasium on February 26, played by a professional team, according to an announcement made at the January 10 meeting of the high school Association of Parents and Teachers. Advance ticket sales will begin the week of January 21, according to Russell York, president.

A meeting of the organization will be held in the school edifice on February 14 when final arrangements for the coming event will be completed.

GM Display Shown At Meeting Of Local Clubs

Raymond Borowick of General Motors last night presented "View of Progress," at a joint meeting of the Truckee Rotary and Lions at a meeting held at Donner Lake Lodge. The display showed many future developments proposed by the company. Roy Waters presided at the meeting and the $45 collected in fines went to the March of Dimes. Lions guests included Sgt. Frank Snyder, Bill Briner and Roy Saarni.

Stuart Barnes, Montabello, underwent an emergency appendectomy at the Tahoe Forest Hospital Monday. Dr. L. D. Nelson performed the operation.

Dial System Will Be Inaugurated Here March 16th

Change-Over Date Fixed As Work On Telephones Near Complete

At 11:01 p.m. on the night of March 16, Truckee telephone subscribers will start using their new dial telephones.

Manager George Selkirk announced this week that date and time have definitely been set by the Pacific Telephone Company for the "cutover." In the meantime new numbers will be listed and announced, information on use and literature for the convenience of subscribers will be provided.

An official of the company will be here prior to the "dial date" to speak before the schools of the area and Selkirk will explain the new setup to various organizations so that there will be as little confusion as possible.

Selkirk said he was receiving gummed stickers for business people to use in announcing their new number to patrons and others These will be available without cost upon request.

The actual change over will be made at the new telephone building on Spring street at the minute announced.

How the telephone company has grown in this area is well described in an advertisement on another page of the Sierra Sun today, the figures provided by Manager Selkirk are almost startling and should prove of vital interest to everyone in the district.

BOY SCOUT SURVIVES NIGHT IN SNOW STORM

After being in the Tahoe Forest Hospital for two days for treatment of exposure and frost bite, Leroy Tuell, 14-year-old Rocklin Boy Scout was released and has returned home.

The Tuell boy was one of a group of 14 Boy Scouts who started an overnight hike from the Big Bend Ranger Station to Loch Leven Lake, a distance of three miles, Saturday. They were headed by Charles Cook, an adult leader.

The group stopped for lunch a mile from the ranger station and then started on up the hill. The leader was then advised that the Tuell boy and a second boy named O'Conner had left the troop and started to return to the highway.

The two spent the night in three feet of snow and were found early Sunday by a group of skiers. The Tuell boy was taken to the hospital for treatment by Dr. Walter Prescott.

Two other youths, James D. Currier, 17, and August A. Brandenberger, 18, both of Richmond, were hospitalized at Auburn after they were overcome by carbon monoxide fumes in their car at Cisco Saturday. The boys left the motor running to sleep in the car. They were recovered by Patrolman Robert Rodgers.

HOSPITAL PROVIDES SKI PATROL LOCKER

Ski patrols in the various areas served by the Tahoe Forest Hospital have been notified by Jack Marturano, national ski patrolman for the region, that the hospital has constructed a locker for their convenience at the emergency entrance.

This locker will be stocked with usable splints, padding, blankets, bandages, etc. taken from patients brought into the hospital for treatment. Each patrol is asked to check the locker occasionally to retrieve any material belonging to it. All materials should be marked plainly by the patrol for easy identification.

At the same time, Marturano expressed thanks to the hospital directors and Manager Jack McGlade for making the locker possible. The plan was proposed by Director James Sherritt.

Funeral Held

Funeral services were held at Grass Valley this week for Mrs. Mary Cameron LeDuc, 74, native and life-long resident of that city who took her own life at her home. She was a past president and active member of the Native Daughters of the Golden West until her retirement due to failing health. Among others she is survived by a daughter, Mrs. Lavinia Hooper of Truckee.

Jury List Includes Many Names From East County Area

Supervisor H. G. Loehr has submitted a list of 31 potential trial jurors to County Clerk John H. Trauner for approval.

Those selected follow:

Donner Lake: JoAnn Affeldt, Cecil Edward Allison, Vida Euer, Charlotte Harris, Arthur J. Mori, Joseph Richards.

Floriston: Harry Clyde Savage.

Soda Springs: Francis M. Carrasco, Brant M. Chaplin, Harry F. Pratt, James A. Sherritt.

You Bet: Larry Lawson.

Truckee: Ralph Bretthauer, Guido Cozzi, Hazel G. Ellis, W. M. Englehart, Sr., Mary E. Giovannoni, Robert N. Hackett, Lyle C. Hubbard, Millie Kielhofer, John D. Moretta, Wesley H. Osman, Bruce M. Quartley, Robert P. Bick, Clinton Brines, S. A. Follett, Rolland G. Gautsche, John P. Goldsmith, George Kaspian, Robert Luck, Gerolamo Zunino.

Doctors Plan Aid To Dimes March

A double benefit—one for those who have not had their Salk vaccine shots and one for the March of Dimes has been arranged by Drs. Ben King and L. D. Nelson and Mras. Charlotte Patnoude, public health nurse.

The doctors and Mrs. Patnoude will administer the shots to anyone up to 40 years of age in two sessions, the first Wednesday, January 30 at noon and the second on Thursday, January 31, at 6 p.m. Both clinics will be at the Tahoe Forest Hospital.

A charge of $2 for those who can afford it, will be made and after the cost of the vaccine is paid the full balance will be donated to the March of Dimes for the benefit of those who unfortunately did not have the vaccine in time.

The polio foundation as well as the medical associations are concerned with the fact that too few adults are taking the preventive shots and all are urged to take advantage of this opportunity.

STATE CHAMBER TO AID OLYMPIC PLANS

James H. Hammond, who has replaced Jerry Carpenter as director of travel and recreation for the State Chamber of Commerce, Don Dickey, manager of the Sacramento Valley District and Mrs. Gladys Rowe, secretary of the Placer County Chamber of Commerce, were visiting the area last Thursday. The purpose of the visit was to coordinate efforts of various agencies in presenting facts concerning the forthcoming winter Olympic games and other winter sport activities of the region.

A public meeting late in February is being planned by the state chamber for this region to give everyone an opportunity to hear and discuss the program, including the games, highways and other phases in connection with the Olympics. Details will be announclater.

Many Vehicle Owners Are Slow On Renewals

About half a million California motorists appear destined to get their 1957 auto license stickers the hard way, observed State Registrar of Motor Vehicles Al Veglia in Sacramento today.

The hard way, Veglia explained, is waiting till the last minute and standing in long lines to pay registration renewal fees before penalties for tardiness set in.

"This year's registration renewal is running so far behind that of 1956 that, unless vehicle owners act immediately, they may face the biggest deadline crush in years," Veglia declared.

The deadline for the 1957 vehicle registration is February 4. After that date, penalties up to 100 percent are added to fees.

BREAKS LEG

Earl O'Dell, a Livermore attorney, broke both bones in his lower left leg while skiing. He was treated at the Tahoe Forest Hospital by L. D. Nelson.

Visits Relatives—

Mrs. Ben Tonini planned to return to Morro Bay yesterday after spending two weeks with her son, Robert Tonini at Tahoe City and visiting her daughter-in-law who is a patient in Tahoe Forest Hospital.

Airport District Is Urged By Group To Protect Region

Action Now May Prevent Loss Of Future Plan For Field

To prevent a situation similar to the one in which this area became involved with the Placer County Junior College District, members of the Tahoe-Truckee Airport Committee last Friday voted to proceed with the formation of a local district. Decision was reached at a luncheon meeting held at Smart's.

This does not mean that expense will be incurred, but it may result in this area being excluded from a proposed Nevada County Airport District designed for the purpose of constructing a landing field in the western end of the county, C. Edmunds, chairman of the committee, explained.

The 15 members of the committee present unanimously agreed to proceed with plans for the creation of a district to embrace the same area as the Tahoe-Truckee Unified School District. Necessary petitions are being prepared through the efforts of Judge F. W. Wilson, who was appointed to that task.

Edmunds was unanimously elected chairman of the group after the temporary chairman, John Corbin, declined to serve because of the stress of school activities. He is district school superintendent. However, he agreed to serve as secretary of the committee.

The local airport has been approved by the CAA and given top priority as well by state aeronautic officials. It is particularly desirable as a supplemental method of transportation for the 1960 winter Olympics. However, the committee at the present time does not sponsor any financial program and desires only to form the district so that if and when the finances are secured to match a federal appropriation of over half the cost, the region will not be contributing to a remote field and denied the local facility.

A situation parallel to the junior college district formation could be thrust upon this area, Edmunds declared. With the formation of an airport, supported by the entire county for the Nevada City or Grass Valley region, this area might be prevented from providing its own port in the future.

The formation of a local district, it was emphasized, would be done without more than a token cost.

21 INCHES NEW SNOW RECORDED IN STORM

Henry Toccalini of the Tahoe Forest Service reported that the storm of Sunday developed a total of 1.86 precipitation from 21 inches of snow fall.

This amount brought the total to 5.50 inches so far for the month of January. The normal for the same month is 5.88 inches.

Yesterday there were 26 inches of snow here and a nippy 9 below zero was registered Tuesday of this week, the high point on the theromometer was 43 degrees on Saturday, just prior to the Sunday storm.

Truckee Man Will Wed Joyce Tate Of Meridan

MERIDAN—Mr. and Mrs. Woodrow W. Tate of Meridan have announced the engagement of their daughter, Jovce, to Leonard Hutchins of Truckee.

The future bride was graduated from the Sutter Union High School and attended Yuba College. She is employed in Marysville.

Her fiance, the son of Mr. and Mrs. Bert Hutchins of Truckee, also attended Yuba College. He was graduated from the Greenville High School.

Charles Glenn Is Feted On Occasion Of Birthday

Mr. and Mrs. Wilber Glenn were hosts on Saturday evening at a party given in honor of their son, Charles. Dessert featuring a special cake decorated to show a miniature football field.

The group later attended the dance given that evening in the high school, including Michael Armstrong, Jimmy Osburn, Barry Leamon, Michael Kumle, Terry Walker, Terry Beck, Terry Ellis, Dorette Rose, Julia Fuentes, Linda Giovannoni, Kathleen York and Dee Dee Frates.

LOCAL PRIESTS AT FUNERAL OF BISHOP

Fathers P. J. O'Neill and Leo McAllister of Truckee were among the scores of priests in California and Nevada who last week attended the last rites for Bishop Robert J. Armstrong of the Sacramento Catholic diocese, 72, who expired following a long illness at Mercy Hospital in the capital city.

Armstrong has been succeeded by Bishop Joseph T. McGucken.

The late bishop was well known and highly respected in this area where he often visited.

NOTICE OF HEARING on PETITION FOR ANNEXATION TO TRUCKEE SANITARY DISTRICT

NOTICE IS HEREBY GIVEN that the Board of Directors of Truckee Sanitary District, on Tuesday, the 29th day of January, 1957, at the hour of 7:00 o'clock P.M. of said day, at Justice Court, Truckee, Nevada County, California, will hold a public hearing upon a petition for annexation heretofore filed with said Board;

The territory proposed to be annexed is situated in the County of Nevada, State of California, and more particularly described as follows:

All that territory lying with the following described bounds, outside the bounds of the existing District and contiguous thereto;

Commencing at the point of intersection of the north-south center line of Section 14, Township 17 north, Range 16 east MDB&M, with the boundary line common to Placer and Nevada Counties, (being the south quarter corner of said Section 14) running thence northerly along said north-south center line, 7920 feet more or less to the center of Section 11; thence westerly along the east-west center lines common to Sections 11, 10 and 9, 10560 feet more or less to the center of Section 9; thence southerly along the north-south center line common to Sections 9 and 16, 7920 feet more or less to the southern quarter corner in said Section 16 (being the point of intersection of said north-south center line with the boundary line common to Placer and Nevada Counties); thence easterly along the southern boundaries of Sections 16, 15 and 14, 10560 feet more or less to the point of beginning, all in Township 17 north, Range 16 east, MDB&M.

All persons interested in said proposed annexation may appear at said meeting and be heard.

DATED: January 15, 1957.

PETITION FOR ANNEXATION

We, the undersigned, being property owners residing within the hereinafter described territory, and owning property in the amount and of the assessed valuation (as per last equalized assesment roll of Nevada County) shown opposite our respective names, do hereby petition and request the Truckee Sanitary District to take all proceedings necessary for the annexation of said described territory to the Truckee Sanitary District, Nevada County, California;

That the territory desired and requested to be annexed has a total assessed valuation (as per the last equalized assesment on the rolls of Nevada County) of $251,550.00, and lies outside, but contiguous to, the boundaries of said Truckee Sanitary District, and is not in any other Sanitary District; said area for annexation being more particularly described as follows:

All that territory lying within the following described bounds, outside the bounds of the existing District and contiguous thereto;

Commencing at the point of intersection of the north-south center line of Section 14, Township 17 north, Range 16 east MDB&M, with the boundary line common to Placer and Nevada Counties, (being the south quarter corner of said Section 14) running thence northerly along said north-south center line, 7920 feet more or less to the center of Section 11; thence westerly along the east-west center lines common to Sections 11, 10 and 9, 10560 feet more or less to the center of Section 9; thence southerly along the north-south center line common to Sections 9 and 16, 7920 feet more or less to the southern quarter corner in said Section 16 (being the point of intersection of said north-south center line with the boundary line common to Placer and Nevada Counties); thence easterly along the southern boundaries of Sections 16, 15 and 14, 10560 feet more or less to the point of beginning, all in Township 17 north, Range 16 east, MDB&M.

NEWS NOTES FROM TAHOE

By Naomi McLane
P. O. Box 195, Tahoma

Foreign Greetings

A card from Mosse Hodneland who returned to her native Norway last spring sounds as if she is well and happy. It also reminds me of the excellent idea I have heard from various sources. Several people have had the thought that it would be a wonderful thing if Tahoe City and Squaw Valley could greet the different participants who will come to the Olympic games in at least a few words of their own language. Some are taking up a serious study of French or some other tongue and some people are thinking in terms of learning just a few sentences of common greetings and simple directions. This would certainly be a courteous thing to do and also would be fun. We Americans are lucky that we have not had to know more than one language but it has also given us a dumbkopf reputation. In a small way we could do a little to remedy that.

Welcome Home Party

Dorothy Van Allen has returned from her trip to a far spot on the globe full of enthusiasm. A welcome home party was held for her Saturday night by George and Sylvia Hogan at their home in Tapines. Dorothy showed colored slides of her Hawaiian visit after supper. Guests beside the honoree were Jack Van Allen, Bob and Diane Hughes, Bob and Betty Jorgensen, Dave and Chick McBride, and Solveig Beavers. As a token of their affection the guests had gone together to get some equipment for Dorothy's hobby of taking colored pictures.

On Television

Another member of the Ivan Wilson family has taken to television. Doug Wilson picked the long straw out of a small group chosen by teachers Roy Baker and Jim Pringle to represent the high school at Reno's station KOLO. Doug appeared with Alex Cushing and Eddie Fitzgerald and others to choose what they thought might be tune hits of tomorrow. He reports it as having been lots of fun.

At Riverside

Armen and Georgiana Abrahamian have moved from Carnelian Bay to Reno where Armen is working atthe Riverside. We shall certainly miss them but they report that they will at least visit frequently.

Change In Panel

Sharon Abrahamian was to have taken part in the PTA panel discussion tonight (Thursday) but with her departure Paul Cincotta and Janice Giannini will represent the fifth grade point of view. Other changes in the panel leave the completed roster wtih Lynn Harper and John Caulkett representing the second grade; Pat Dempsey, the third; Jeff Hewlitt and Don Bury, the fourth; and Mike Wright and Sandy Fellows, the sixth. Lynn Kishbaugh and the sixth. Lynn Kishbaugh will be a special guest tonight.

Book Club Meet

Wednesday night brought the first year of the Great Books discussion group to an end. Roy Baker and Geri Bean where leaders for this last lesson. The group will go right on into the second year's series meeting every second and fourth Wednesday at the high school library. Anyone interested is most welcome to attend.

Sunday School

Between 25 and 30 youngsters have been attending the Community Sunday school each Sunday at 10 a.m. With such a group there is still great need for a teacher or two. If any one could give their services do get in touch with Evie Waters or Mabel Nielsen.

Church Services

Weather permitting, services of the Church of the Latter Day Saints of Jesus Christ will begin this Sunday in the Community Hall at 11:15. Two leaders from Reno will be there. All L.D.S. members and any others are cordially welcome to come and worship together.

Rotary Beards

Those beards you see about town belong to Rotary. At ladies' night Tuesday the week's growth will be judged and prizes given to those worthy of prizes. A live orchestra has been engaged, according to President Steve Korich, and the dinner-dance for Rotarians and their wives promises to be a fine occasion.

Folk Dance Classes

The beginning folk dance classes with John and Sophie Levra teaching are underway and going fine. The meeting place has changed from the Community Hall to the lobby of the Tahoe Marina Lodge just down below the firehouse. These classes begin at 7 p.m. on Wednesday evenings and everyone is welcome.

Improved

Mrs. Bob Tonini is sitting up this week and her many friends are most happy to report this improvement.

Good Ski Scores

The Squaw Valley-Lake Tahoe Ski Club has reason, or rather several reasons, to be proud of its junior members. President Blanche Donaldson reports that out of 151 Far West Ski Association contestants nine of our youngsters made excellent and top scores in the meet this weekend at Yosemite's Badger Pass. Greg Moore, Sandy Fellows, and Jimmie Huega each again took first place in their classes. Trent Giannini took third; Kit Schull, fourth; Donaldson, fifth; Smiley and Del Tschopp, a second and third respectively; and Gary Henry, tenth in thier classes.

Club To Meet

The Ski Club will meet Friday night at 8 p.m. in the Community Hall. Members and all interested persons are urged to come.

Visit Tahoe

Mrs. Charlie Nielsen's two brothers, Rudolph Marshall from Miramonte and Bob Marshall of Watsonville, visited here this week.

To Hospital

We are sorry to report that C. W. Vernon had to rush his wife, Ethel Joslin Vernon, to her specialist in Oakland Monday. Mrs. Vernon has not been well but was thought to be rallying. Her conidtion Monday made the sudden trip necessary.

Catch Fish

This is the second winter of year-round fishing on the lake and in spite of almost weekly storms true fishermen seem to be out practically every day. C. A. Hunt of the Rubicon caught a 21½-pound makinaw this week. He was just toplining with a 4-pound test nonofilament leader when this monster rose. Perhaps winter fishing should be advertised right along with skiing activities.

Slalom Delayed

This last storm postponed the Squaw Valley Birthday Slalom until a later date. I must apologize also: It is the eighth anniversary of Squaw Valley's opening, not the seventh as I reported last week. The beginner's ski lessons at Granlibakken also were postponed for a week. If the weather is good Terry Toffefson will be there Sunday shortly after noon. Ski club children must sign up before 1 p.m. to receive this free instruction.

Miss Snow Plow

The storm also snowed our particular little corner of El Dorado county in for the day. It made us miss the Robert J. Wray family more specially than ever. Bob has never failed to have our road open, sometimes even before there was any place to go along the highway. Bob is in the Stanford University Hospital at Clay and Webster streets in San Francisco where he is undergoing the first of a series of plastic surgery operations. He writes, "Don't have to tell you we will be glad to be back to you know where!"

WHAT'S DOING

George Selkirk, Telephone Manager, Truckee-Tahoe

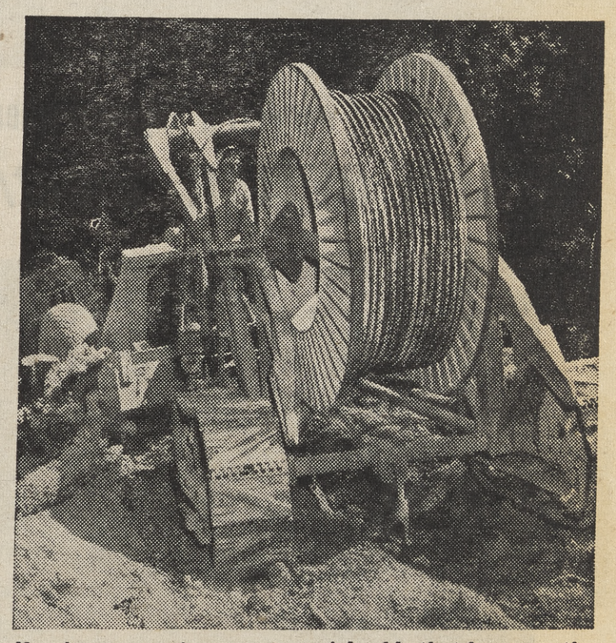
AT WHAT RATE

IS TRUCKEE AND THE LAKE TAHOE AREA GROWING?
Just look at these figures compiled by Pacific Telephone:
Number of Employees—Summer 160; winter 68.
1955 payroll—Summer $727,173; winter $309,048.
Number of Telephones—1955, 2400—1945, 744.
Increase 223%
Telephone Calls Per Day—1955, 10580; 1945—1,904.
Increase 456%
Plant Investment—1955, $2,278,921; 1945, $489,943.
Increase 365%

During 1956 Pacific Telephone has spent in addition $1,348,000 on new construction which includes the new dial offices in Truckee and Tahoe City plus some of the associated cable work. This expenditure is just one more step in providing an ever-improving service to our customers in this area.

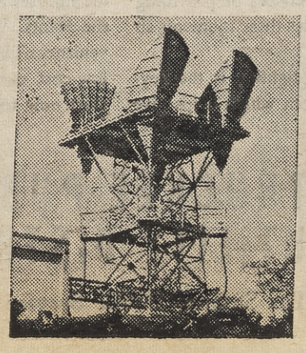
GEORGE SELKIRK, Mgr.

* * * * *



Here's a new voiceway, a coaxial cable that has recently been put into service between Northern and Southern California. It can carry as many as 600 of your telephone calls at one time. Together with our many other microwave and cable routes, the new coaxial cable gives communities all over the Pacific West another important link with one another. And it helps us keep pace with your ever-growing desire for fast, efficient telephone service.

* * * * *



Microwave and coaxial cable, because they carry so many calls at once, not only improve long distance service, they help keep long distance rates low. You can call clear across the country for only $2.00 plus tax. That's the station-to-station rate for a three-minute call after 6 p.m. weekdays and all day Sunday. Calling long distance is fun. And with rates like this, you can afford to call often.

STRICTLY STRICKLAND

By Bill Strickland

Last weekend's storm, even though it was uncomfortable for the skiers, delighted all of the resort and lift operators on our mountain top. With the previous pack, the new 18-inch fall assures excellent skiing for several weeks to come, and levels out many of the uncleaned slopes that require four or five feet of snow to cover the rocks and stumps. Even though we weren't on this particular mountain top over the weekend, the trail sign of many skiers were very evident as we drove up Highway 40 at 3 a.m. Monday morning. The plows hadn't as yet cleared in front of the hotels; so as a result, hundreds of pidgeon-hole parking slots were still intact. They started clear down at Lakeview Lodge at Blue Canyon, so you have a pretty good idea of how far down the hills the snow line and skiers were.

Skyline Lodge evidently had a very successful opening for their new operators, Norman and Mildred Clark.

* * *

It is with sincere regret that we must report the passing of everyone's good friend, John Carl. John was one of our mountain tops senior citizens. I don't know how long he lived here, but I know he arrived shortly after the turn of the century. An avid hunter and fisherman, John could take you to fishin' holes where the trout fairly jumped from the water to take your fly or bait. He served faithfully on innumerable committees to help promote and solidify our mountain as a leading winter and summer recreation area. As many locals as possible attended his funeral. Pallbearers included Arthur Couillard, Clyde Allyn, and Bill Strickland.

* * *

The Junior point race in Yosemite was one of the most closely contested races we've attended in a long time. Ronnie Rau topped the Junior I men by one-fifth of a second over Slammin' Sammy Salmons of Reo. Jimmy Heuga of Squaw-Tahoe topped the Junior III boys. Starr Walton, and sisters Smiley and Dee-Dee Tschopp ran one-two-three in their Junior II girls classification. Selection of a Far West Ski Association team for the Junior Nationals at Reno is going to be very close. Dodge Ridge will hold a point meet February 2nd and 3rd and the final meet will be held at Big Bear in southern California of February 16 and 17. I might add that any junior contestant should mail their entrys to the race committee at least two weeks prior to the meet. There were several very disappointed youngsters in Yosemite woh thought entries were accepted until race time. Some clubs accept until the day of the race, others have a very definite closing date. So don't wait for any of them—allow at least one week—preferably two, to assure your racing spot.

I haven't any official figures but I believe northern California has four of the top five point winners for the Junior National team to this date.

(1) Dick Miller—Mammoth Ski Club.
(2) Sam Salmons—Reno Ski Club.
(3) Ronnie Rau — Strickland's Unattached.
(4) Dennis Hogan — Strickland's Unattached.
(5) Kit Schull—Squaw Tahoe Ski Club.

School News

DONNER TRAIL SCHOOL

Kindergarten, First and Second Grades: (Teacher, Jeanne Kessey.) The children in the primary grades at Donner Trail School are studying pets.

Lynn Aro is back after a long absence.

Eddie Timmons, is back in our class after a period of attendance in another school.

The second graders have been doing quite a lot of oral reading lately.

Third, Fourth, Fifth and Sixth Grades: (Teacher, Robert Bailey.) Bradlee Heckle says his father, Tom Heckle, has about recovered from the broken ankle he suffered while skiing during the Christmas holidays.

Laurel Mason reports that her father, Bob Mason, helped revive four men who were overcome from carbon-monoxide fumes. They parked their car during the weekend storm and left the engine running to keep warm.

Ping-pong is the most popular indoor sport now that the snow is piling up around Donner School. Ricky Schull is the champ.

The battle against waste continues within the classroom with Carl Shusky in charge. Carl says he thinks there has been about a 15 percent improvement.

Third graders Bunny Board, Laurel Mason, Billy Strickland and Bradlee Heckle are learning their times-tables.

KINGS BEACH SCHOOL

Kindergarten and First Grade: (Teacher, Elrose Knudsen.) Members of our first grade who are participating in the ski program are Jay Bisio, Bobby Brandt, Mike Cook, Georgia Burris, Shari Decker, Ann Felte, Randy Hiatt, Aaron Hiibel, Dyanne Lausche, Jan Jensen, Jeff Mally, Greg Pope and Janice Wing.

Patty Bervid has left Kings Beach again for Los Angeles. Patty may be back in the spring.

Sandra Martin is back from her visit to her grandparents in Iowa.

Second and Third Grade (Teacher, Katherine Wing.) Wednesday, the skiing program started for the beginner's class. Those who participated in the program were: Kathy Chastain, Susan Clackett, Carol Lee Corbin, Martha De Gregorio, Gale Graton, Wendy Howell, Cindy Hiatt, Cathy Rockholm, Carl Christiansen, Billy Hobbs, David Hughes, Andy Thompkins, Rondi Thorwaldsen, Chris Althof, Bruce Draney, Kenny Kammerer, Darryl Lausche, Bruce Templeton, and Vern Wing. Beverly Bergman is the only one in the intermediate group from our classroom.

Third and Fourth Grade: (Teacher, Dorothy Corbin.) Our class in social studies is studying about the California Missions. Each child is taking one Mission.

Our class has organized a citizenship club. Estelle Howell is president; Ronnie Baker, vice president, Wendy Boatman, secretary; and Leta Leborde is treasurer. Friday we hope to name our club and a committee is working on a set of by-laws to be presented to the group at that time.

Nancy Bervid has left again for Los Angeles.

Fifth and Sixth Grade: (Teacher, Raymond Bisio.) Progress on the maps and forts is progressing with speed and neatness. As part of the social study unit "The Westward Movement," the children are dividing themselves into two groups.

TAHOE LAKE SCHOOL

Kindergarten and First Grade: (Teacher, Geraldine Bean.) The following students made 100 percent on the final vocabulary test: Connie Day, Janet Jergensen and Ernie Marier.

First and Second Grades: (Teacher, Solveig Beavers.) First to complete her number work was Tabor Griswold, then, Janet Jorgensen, Mike Dempsey, Anna Marie Connors, Connie Day, Rod Farley and Rocky Riggs.

Star papers in writing annd making up our own sentences this week were made by: Martin Spitsen, Darlinda Stark, Kim Marvin, Jon Caulkett, Tommy Barr, John Carnell, Chris Beavers, Jimmy Bechdolt, David White, Vicki Jones, Rae Lee Grahn, Dick Pomin and Billy Rabska.

Third and Fourth Grades: (Teacher, Lillian Farr.) The third and fourth grades evaluated their buzz session on spelling and draw two maior conclusions.

Having worked all week on study habits in spelling, grades took a new high with the classes low rising about 75 percent.

Fifth and Sixth Grades: (Teacher, Helen Rauscher.) New class officers elected for the month of January were Danny Conners, president; Vicki Jo Rich, vice president; and Janis Giannini, secretary.

Steve Horvath and Mike Marvin are making a large wall display showing the planets and the stars in relation to the earth.

TRUCKEE ELEMENTARY

Kindergarten: (Teacher, Dee Osborn.) Our girls, under the direction of Yvonne Johnson, are working on bedding for their new doll bed.

We have another six-year-old, Jackie Mitchell. We celebrated his birthday last Wednesday.

We hope that we will have Sandra Ferdinand back with us soon.

First Grade: Teacher, Ruth Croxen.) John Clark, Kenny Bretthauer, John McGlade and Dicky Daniels finished another book this week.

Eddie Anderson and Diane Patterson brought some interesting books.

Beverly King brought a new record to school this week.

First Grade: (Teacher, Helen Camp.) Bill Cardinal, Henry Frates and Wilbur Glenn have had perfect attendance this grading period.

Phillip Medina is still out with a very bad cold and Stephen Simmons is ill with the mumps.

Those receiving the highest score in an arithmetic test on addition and counting were Gary Albin, Wilbur Glenn, Bill Cardinal, Phillip Risden, Bill Rose, Diane Daly, Chris Kumle, Judy Ingalls, Michael Borden, Henry Frates and Jennifer O'Bear.

Second Grade: (Teacher, Helen Trask.) Gail Englehart, Susie Olano, Frances Barrett, Timmie McLane, Jack Melugin, Donnie Whiteneck, Gary Waters, Kathy Braasch, Raymond Fitzsimmons and Mary Ann Moore have finished reading "Down Our Way."

We are sorry that Sandy Miller has been sick.

Timmy McLane brought an ingenious gadget for making designs for sharing time.

Third Grade: (Teacher, Arlene Roth.) In our most recent review test of 39 spelling words, the following boys and girls had perfect papers: Betty Saarni, Charles Trainor, Candy Hamilton, Larry Digesti and Kristin Meixner. Those who missed only one word were: Anne Morey, Claudia Ayala, Ricky Ralphs and Dennis Stevens.

Those who have made marked improvement in arithmetic are: Charles Hintz, John Sturcke, Karen Walker, Fosten Wilson and Leonard Tudor.

Fourth Grade: (Teacher, John

(Continued on Page 6)

Something wonderful happens when you begin to
LIVE BETTER...*Electrically*

This is the happiest time of all; when the whole family's together enjoying each other at home. That's the start of good living, and electricity makes it even better, whether it's taking over the kitchen chores or providing the atmosphere that makes these moments so worthwhile.

Cheerful, well-placed lighting is the keynote of this friendly room which helps give Dad a welcome home. Air conditioning makes this a year-round room, too. The master switch by the stairs lets Mom light any room in the house, and Sis can turn the music from the hi-fi set to the speaker in her bedroom if she wants. Wouldn't your family love conveniences like these and the many more that low-cost electricity can provide? Why not start *now* to Live Better... Electrically.

NORTH TAHOE

By JUDGE HARRY CHARRISON

Back From Trip

Mr. and Mrs. Charles Templeton of the Buckhorn, Kings Beach, have just returned from a trip to Lima, Ohio, where they visited Charlie's father, who had suffered a heart attack. The Templetons were away about six weeks and apart from the sickness they had a wonderful time.

Home. Short Visit

Now it's our granddaughter, Joellyn Ashton, up for a few days from Salt Lake City, where she is in nurse's training. This is her first visit for quite a while, and was her first plane ride, and she just loved it, annd we loved to have her. Besides that we had Davey and her mother with us. She says more and more nurses are needed, so why don't you take the advice and take up that noble profession?

March Of Dimes

Yes, this is the last call to put the March of Dimes over the top. Was looking over the situation at the Crystal Bay Club and there was Wiley Jones just as busy as could be working on how to quicken the pace and really put the deal over the top. Don't let the boys of the V.F.W. down... The champagne glass is getting filled, hope it runs over, and there is a case of champagne being drawn. This past Friday and Saturday a band worked for the project and a large crowd was on hand for sports, both at the Crystal Bay Club and the Tahoe Biltmore, where Enola De Gregorio plays the organ.

Out

Joby and Helen Lewis were up at the lake last week on their way to Reno, and as I understand it they are out of the Monte Carlo Club.

Navy Boys

Now there are three more of our stalwart young men doing their bit for Uncle Sam. I hear that Bob Molsberry, Bill Barr, and Roger Holbrook, have joined the navy. Three fine boys that we are sure will make good and we wish them the best of luck.

The Old Hatchery

Yes, sir, what an idea. Many suggestions have been made regarding the dispostion of the state fish hatchery. There is one thing that is positively necessary that is a sub-station of the sheriff's department. This has to come, why not take the opportunity now to suggest that it be turned over to the county. It could be used for several purposes—a courtroom, building inspector's office, an apartment for sheriff's department and jail and even a V.F.W. hall. It is suggested that all organizations get behind the idea. There are several acres, so that a recreation park could also be established right down to the lake front, behind the building. Think this over now, there is no time to lose.

Lions

For some reason I missed the meeting of the Lake Tahoe Lions Club when three new members were accepted, Frank Wagner, Ed Francis and Jackson Brandt. Three fine members and will be an asset to the club. Many important items were taken up at the meeting. Red Waddell, first vice president, presided in the absence of President Dave Ashton, who is at present in Pasadena. Had a call from him last week and sends greetings to his friends.

North Tahoe Women's Club

Mary-Lou Waddell of the North Tahoe Women's Club informs you that there will be a meeting of the group at the Crystal Bay Club on Monday, January 28, at noon. You are especially invited to attend. Rusty MacGowan will speak on Ethiopia. Make reservations by Friday by calling Li 6-2497. This is the first meeting of the year 1957 so let's get off to a good start. And election of officers, too.

Leg Up

And now it's George (Woody) Burris that's joined the limping club. He took a tumble and broke his leg out at Granlabakken skiing. George and Mrs. Burris own the Sun and Snow resort in Kings Beach.

New Dentist

I understand that Doctor Wheeler, who recently took over the Brockway Chalet on Fox street, has opened an office at the same address as a dentist.

New Residents

Mr. and Mrs. P. L. Waters have moved to Kings Beach and into their new apartments in the rear of their ceramic manufacturing plant next to Stevensons Chevron station on the highway at the bottom of Brockway hill. The Waters have been constant viistors to the lake, but this time they are here for keeps, they are a swell couple and we sure welcome them to the community.

Stormy Weather

We had our weekend snow storm. It started Saturday evening, and by Sunday morning there were around a couple of feet, clearing in the evening, and now Monday morning the sun is shining.

Our President

Have just listened to the speech of President Dwight D. Eisenhower and what an inspiration it was, clear-cut and wonderful, and the best part of it was that every word came from his heart. May the good Lord bless and guide him through perilous times.

Television

Through the good grace of our friends, Eddie and Mrs. Moore, we attended the dinner at the Tahoe Biltmore last Sunday. This was the occasion of the convention of the Hoffman dealers of the Sacramento area of which Eddie Moore is representative of the Tahoe district, the showing was held on Monday on account of the delay on Sunday caused by the Donner Summit being closed. It was a grand showing of beautiful sets.

Wee Kirk o' The Pines

There will be bake sale at the Stop 'n Shop in Kings Beach this Saturday at 10 a.m. for the benefit of the Community Church, and is being offered by the W.S.C.S. Millie Chastain says if you would like to donate call her at Li 6-2755.

Next Sunday the Rev. Harold Barnes, director of the Finch Children's Home at Oakland, will preach and it is hoped that there is a record turnout as he is coming specially to preach. Rev. Langguth, our minister, is in San Diego and will preach over TV for the San Diego Council of Churches.

Improving

Mrs. R. J. Mahoney of Mahoney's Motel, Kings Beach, tells me her husband who has been sick off and on, is now staying with their daughter, Mrs. Tony Gallerini at Las Vegas. He is feeling a lot better and we hope he continues to improve in health.

State Information Forms Must Be Filed By Feb. 15

Robert C. Kirkwood, chairman of the Franchise Tax Board, today reminded California employers that they must file information returns with the Franchise Tax Board on or before February 15, 1957.

SCHOOL NEWS

(Continued From Page 4)

Stever.) The activities of the fourth grade can be summarized as follows: Out of this week's sessions came the selection of pupils who will compete for the highest honor, an "Outstanding" in spelling. Among these candidates are the following: L. Banyard, G. Boyer, A. Kenyon, C. Kunkler, M. Leamon, J. McGwinn, J. Roth, D. Sorani, G. Sturcke, W. Mosby D. Haune.

We were all pleased when Tod Bedrosian returned to our class after a brief visit to Reno for a few weeks.

The routine lunch and assignment was carried out by Carol Kunkler, Linda Banyard, Eddie King and Gary Jensen. Milk cartons were counted by Dave Fordham and Greg York.

Fifth Grade: (Teacher, Olia Tiffee.) The fifth grade has been busy with tests that covered the last quarter's work.

For the next six weeks, the middle Atlantic states, the north central states and the establishment of our nation, will be the topics for study. The new committee members are, Susanna Sciutto, Leilani Braasch, Richard Ingalls, Jimmy Randall, James Hamilton, Steve Besio and Richard Saroni.

TRUCKEE TIDBITS

By SWANEE
(Phone Truckee 188)

Another meeting has been called for tonight at 8 p.m. in the high school building to further discuss plans for getting a recreation program in operation before winter is over. Any parent or citizen interested in teen-agers or the problems of the younger set is invited to attend. Russ York, president of the high school PTA has personally invited Deputy Sheriffs Roy Waters and Emery Landers and Sgt. Frank Snyder of the highway patrol has promised to be present. York hopes some of the town's leading citizens, and members of the service clubs will find time to attend and lend some constructive idea. All are welcome.

Present on Thursday night of last week at the conclave held at the high school where considerable discussion took place in an open forum on the same subject were Father Patrick O'Neill of the Catholic Assumption Church, Fred Schultz of Kings Beach, president of the Lake Tahoe Sierra Chamber of Commerce, Eve Hallett, advisor on the newly organized High Sierra Recreation Club, Mrs. Ruth Kolos, Stan Drakulich and Russ York, ardent advocates of the recreation program, and Deputy Sheriff Landers.

Father O'Neill told of his efforts to keep in operation a Catholic youth group which included children from the 9th, 10th, 11th and 12th grades, and which folded in 1955 despite his most earnest endeavors. Lack of cooperation on all sides appeared the chief cause.

There has, however, been considerable evidence of real cooperation among local businessmen, especially in the one project which appears to have a good chance of success among the teen-agers—ice skating. Last week after the big snow I was told that Lauren Russell of Texaco station at the Truckee Wye, aided by Tommy Dolley and Mike Vieu scraped the snow from the ice pond across the river near the county barns. Then Deputy Sheriff Landers solicited the aid of the local fire department which flooded the pond and produced good skating for the children and adults. Denney Logging Co. donated logs for their bonfire and Rotary Club has offered to supply tarpaper roofing, windows and door for the cabin by the pond and heat for the oil stove which W. R. Thomas, Truckee's jeweler, gave to the good cause. Also helping out were the Truckee Public Utility which installed the lights around the pond (and pays the light bill). Bulbs for which were purchased by the Truckee Rotary. Surely this all proves that our local clubs are ready, willing and able to help any campaign for clean, healthy fun for Truckee youngsters.

The Thursday night meeting will endeavor to form an organization including teachers, parents, club members and businessmen and women with the sole purpose of establishing some sort of worthwhile activities for Truckee's younger generation. Even the teenagers are welcome to attend and voice their ideas and desires. Surely something concrete will emerge from all this community effort once the way is cleared for action.

* * *

Coroner Alvah Hooper was honored at a dinner party on Sunday evening, January 13, at his home the occasion marking his birthday

* * *

Harry Ambler spent the weekend in Santa Rosa where he visited at the home of his parents, Mr. and Mrs. Lawrence Ambler. He observed a birthday on Sunday.

* * *

Members of the Wyethia Club of Truckee have been invited to attend the February 7th meeting of the Women's Club of Tahoe at which time Mrs. Gladys Pedley of Truckee wil speak on traffic safety.

* * *

Mrs. Lynn Kishbaugh entertained the members of her card club on Monday ngiht. Refreshments folowed the games.

* * *

Mrs. Ernie Dugan and three-year-old son, Pat, visited her parents, the Jack Wolerts, last week returning to their Stockton home on Sunday.

LAKE LEVEL

TAHOE CITY—Eighteen and a half inches of new snow fell at Tahoe City during the weekend storm, making a total of 30 inches on the ground. The level of the lake Monday was 6227.78 feet with 255 csf of water leaving the gates. Temperatures have ranged from 12 to 41 degrees.

TnT TIDINGS

By JUDE' COMMAGERE

First Semester Ends

Under the guidance of Mrs. Thelma Meiss, the ninth grade has been studying English, history, literature and working on their semester assignment, autobiographies. The first semester ended last Friday, which completed their successful autobiographies. This assignment will be evaluated on effort, time given, correctness and originality. Occupational reports are their next project. This consists of much research. Intensive library course, four periods a week will be given with the assistannce of Roy Baker, our librarian.

"Night Lights

"Night Lights" was a dance sponsored by the juniors, Saturday, January 19. The room was gaily decorated with paper lattice work as sky, imbeded with colorful balloons. The center attraction was a night light of blue, revealed by a spotlight. The Wolverines dance band played several numbers. Doug Wilson did a saxaphone solo. A variety of hot dogs, cake, cookies, soft drinks, and apple cider were served. The chairmen of this big event were Janice Grey and Alice Landers. The dance bids were designed and made by Pat Gunkel.

This dance was the last of the junior class until the junior-senior prom.

Senior Completes School

Gary Gunkel, a transfer from Richmond High School has completed his 12 years of school. He left TnT with a C average and plans to join the marines. During his short stay at TnT he has shown a great interest in sports. When asked his opinion of TnT he said: "I have attended many schools and there isn't one I like better." We sincerely fel a great loss, as Gary was a "perfect friend" as well as a terrific comedian. We give Gary our wishes for good luck in his future.

License Issued

Burnal E. Euer of Truckee and Thelma King of San Francisco both over 21, were issued a marriage license at Reno.

Wilson At Meet—

Judge Fosten Wilson was a guest at the annual meeting of the Nevada County Bar Association meeting last Wednesday when Robert Schiffner was elected to the office of president of the organization for the third term.

Prefers Truckee—

Frank Kearney of Sacramento and a former resident of Truckee for 77 years wrote that although the weather in the valley was like the month of May in Truckee he has a strong preference for the climate here.

Snow Pulls TV Down—

Mrs. Frank Fox said last week that the snow sliding from the roof of their house fell so heavily on their TV lead in wire that their television was pulled to a precarious angle from it's base.

Article On Big Snow—

The February issue of Coronet magazine contains an article on the stalling of the Southern Pacific train, City of San Francisco on Donner Pass, during the storm of January 1952. The account is written by Norman Carlisle.

VFW Auxiliary Presents Booklets To Lake School

CRYSTAL BAY—Mrs. Winnie Wagner, Americanization chairman and Mrs. Pearl Moore, president, of the Ladies' Auxiliary of the VFW, presented a new flag cord and 100 Etiquette of the Stars and Stripes booklets to Principal Ray Bisio of the Kings Beach elementary school. The booklet has become a standard flag reference for schools, college, civic, patriotic and fraternal organizations and more than a million copies have been distributed since it was compiled by the Veterans of Foreign Wars and Auxiliaries.

CARD OF THANKS

The expressions of sympathy given us during our recent bereavement will always be gratefully remembered and we wish to convey our sincere thanks to all of our friends.

Leo and Betty Smisek
and Children

STRAYED from the Truckee Elementary School Monday night—pair child's skis, ski poles. Please return to school or ranger station. No questions asked. Betty Saarni.
